

## The free XING Share Button

Make it easier for over 14 million XING members to share your website's content and boost your audience and visitor numbers.

# Turn visitors into ambassadors.

XING is the social network for business professionals. More than 14 million members worldwide use XING to boost their business, job and career.

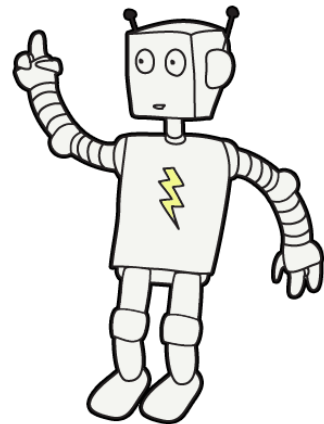

The XING Share Button means your website visitors are just a click away from sharing your content with their XING network. This lets you harness the viral effects of social networking.

## Integration is child's play!

It's both free and easy to integrate the XING Share Button into your site:

- Click on the link below to generate the button you'd like to have:  
[dev.xing.com/plugins/share\\_button](http://dev.xing.com/plugins/share_button).
- Add the resulting JavaScript code to your website code.
- That's it! The XING Share Button is now ready to go.

### Additional features for website operators:

The "Login with XING" button is free of charge and makes it much easier for users to register with and log in to your website. The button also helps you identify user groups so you can tailor your offering to your target group. Just visit [dev.xing.com/plugins/login\\_with](http://dev.xing.com/plugins/login_with) for further details.

Feel free to check out [dev.xing.com](http://dev.xing.com) to find out how else you can benefit from the XING API.
